To Whom It May Concern:

This letter is to act as a testimonial for Aaron Giddings and Matt Carr of Aarons Outdoor and Landscaping.

Since July 2017 they have been involved in the design and implementation of our renovation and new build playscapes throughout Queensland, New South Wales and Victoria.

We have always found them to be accommodating to our needs and the needs of the Centres. They are always researching new concepts to ensure the vision of our playscapes can be achieved.

They are also contactable throughout the whole project and are willing to make improvements based on our feedback to ensuring we are always left happy.

Should you wish to gain any further information, please do not hesitate to contact me on 0447082293.

Kind Regards
Rebecca Gunn
