To Whom It May Concern

My name is Nicole Clements and I am a Centre Manager of Petit Early Learning Journey in Richmond, Victoria.

We employed Aarons Outdoor to conduct works in our playscape that was looking bare and uninviting. Throughout the quotation and design stage, Matt and Aaron were fantastic, they took in every detail of our vision and made it come to life! Throughout the works, the builders were lovely and would take the time to explain what was happening throughout the process and sought feedback. Matt and Aaron were still in contact throughout the works to make sure everything was running smoothly. At the completion of the works, the builders did such an amazing job of cleaning up and removing all hazardous items, you wouldn't have even known they were there – except for the immaculate, amazing constructions that were now in its place! Our yard is now more challenging for children and a space that enhances imagination!

I would highly recommend Aarons Outdoor for any works to be completed in an Early Childhood Service, they knew the Child Safe Standards and worked according to these, they chatted to the children about the process and everyone was easy to talk to and deal with.

If you would like any further details, please do not hesitate to contact me on 9046 1925.

Thank you

Nicole Clements
